Facial Descriptions

WHS Facial 60 Minutes

This facial is personalized for your exact complexion and totally customized from start to finish! First you'll experience a deep pore cleansing, exfoliation and massage of the face, neck and shoulders. Next, a custom blended serum is applied to address your specific concerns, followed by a therapeutic Bioelements mask. Emerge an hour later with immaculately clean, smooth and glowing skin.

Calming Facial (for sensitive skin) 60 Minutes

This facial was created for intolerant complexions and sensitive skin. This soothing treatment is designed to strengthen fragile skin while reducing redness and discouraging irritation. You'll experience a calming skin cleansing, gentle exfoliation and a relaxing facial massage as well as an ultra-soothing mask that has been customized specifically for your skin's unique sensitivities. Your skin will feel more comfortable, smooth and less reactive to the aggravating stressors of everyday life. This is the perfect choice for anybody that has reactive skin.

Flaxx-C Anti-aging Facial 60 Minutes

This breakthrough treatment has been created for skin that is showing signs of aging...such as fine lines or dullness. A thorough cleansing is followed by deep exfoliation and stimulating massage. The ultra-tightening mask is applied next, which is designed to restore firmness to skin as it lifts, tightens and smoothes.

Pumice Peel Manual Microdermabrasion Treatment 60 Minutes

The ultra-fine pumice crystals in this machine-less microdermabrasion treatment peels away dull, dreary cells, abrades uneven skin tone and visibly reduces the appearance of fine lines and wrinkles. This skin-resurfacing treatment also includes a customized mask to infuse nutrients into your newly polished complexion. You will experience brighter skin with improved clarity and a more even skin tone. This is the ideal option for those who want the effects of microdermabrasion without the machine.

Bioelements Lactic- Plus Peel 60 Minutes

This advanced, ultimate strength peel contains *organic* lactic acid, enhanced by pumpkin fruit enzymes and stimulating pomegranate to provide a powerful surface peeling of dulling skin cells. This peel will dramatically improve dull, lifeless and rough-textured skin. It can be customized from a mild to extra strength action to meet the level of exfoliation that your skin needs with amazing results and no down time! Your skin will feel smooth and retextured, with a brighter, more even overall tone.

Stress Solution Spa Facial 60 Minutes

This luxurious facial is designed to soothe your nerves and soften your complexion while it de-stresses your entire body. You will enjoy a gentle yet thorough cleansing, a soothing aromatherapy oil massage of the face, neck and shoulders, relaxing steam inhalation therapy and a customized Bioelements mask laced with calming plant extracts. All signs of stress will float away as you emerge with renewed skin that glows with health.

Oxygenation Facial 60 Minutes

Breathe new life into your complexion with this high performance cosmeceutical treatment that carries active ingredients deep into your skin via oxygen molecules. The benefits you'll enjoy include softer, smoother and fresher looking skin. This is the perfect treatment for skin that is sluggish, clogged or prematurely aging.

VitaMineral Power Facial 60 Minutes

This cosmeceutical treatment infuses your skin with antioxidant vitamins and trace minerals to stimulate the production of collagen and elastin and to protect against environmental aggressors. The perfect anti-aging facial, it includes an energizing massage to penetrate vitamins A, C, E and D into the epidermis to help tone the skin. Experience this dynamic treatment for firmer, stronger and more radiant skin.

Alphablend Maximum Exfoliant Treatment 60 Minutes

This professional peel utilizes Alphablend, Bioelements exclusive blend of fruit acids to exfoliate dulling surface cells, refine skin texture and reduce the appearance of sun damage. This treatment also minimizes pore size and helps to reduce clogged pores, leaving your skin looking vibrant and feeling soft and smooth.

LightPlex Pigment Balancing Treatment 60 Minutes

If evening out your skin tone and fading dark spots is a priority, this is the facial for you. It starts with a thorough cleansing followed by a custom blended EnzymeTherapy exfoliation treatment for your skin. Next, professional strength LightPlex Pigment Balancing Serum is penetrated deep into your skin where dark spots are formed. To finish you'll enjoy a customized facial massage. It's the perfect treatment to help you attain that even-toned, spotless skin.
